# Accraply 5203LE Publication Labeler

Reach consumers at the point of purchase with Front Page Note Advertising. This compact labeler applies advertising notes to products at speeds up to 30,000 notes per hour.

**Notes can be applied to:**

- Tabloids
- Magazines
- Trade Journals
- Brochures
- Pamphlets
- Direct Mail Pieces

Front Page Note Advertising is an innovative concept creating an entirely new, premium advertising position on your product, delivering a unique and valuable promotional opportunity.

**When you offer Front Page Note Ads, your advertisers receive:**

- Premium visibility
- High reader involvement
- Easy coupon removal
- Zoning and other targeting potential

**Operator Station**

Magnetic base allows the operator station to be located for the convenience of the machine operator.

**Encoder Wheel**

The encoder wheel will provide product speed information to the label dispenser to match the label dispense speed to the product.
